(e) whether Government consider that the pricing and licensing policy has contributed to the non-fulfilment of the production target of bulk drugs and formulations; and

(f) if so, what steps are contemplated by Government in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETROCHEMICALS (SHRI R. K. JAICHANDRA SINGH): (a), (c) and (d) The production of bulk drugs during the terminal year of the Sixth Five Year Plan had fallen short of the revised target. However, one of the main reasons for the non-fulfilment of the targets was that the demand of various bulk drugs did not pick up as anticipated.

(b) In 1984-85 (Terminal year of the 6th Five Year Plan) production of bulk drugs was about Rs. 377 crores as compared to the revised target of Rs. 500 crores. The corresponding figures of formulations are Rs. 18.27 crores and Rs. 1950 crores respectively.

(e) and (f) In order to further step up production of drugs government have liberalised policies in the area of industrial approvals and foreign collaborations.
